Lapford DC Winter Agility League

On Saturday 17th February we held our 3rd League show and Finals for the 2023/24 series.

Each show included an Agility, Jumping and Steeplechase round for each dog, with classes split by grade and heights. Those placed 1st to 10th in each class accumulate points towards the Winter League finals, held at the end of the day.

Club members who qualified for the Finals included Bernard Pearson with Tsavo, and Ann Hampshire with Mist who won the intermediate final. Many thanks to all members who helped each day and to our sponsor; Tuckers of Crediton and Orchard End Cattery and Kennels.

It's Summer

- Weather permitting both agility and obedience classes will move outdoors in early May
- Looking forward to our 2 day KC Open Agility Show 27/28th July. Help always wanted!
